WHAT READERS ARE SAYING...

Great novel! I was fully absorbed in every detail...every minute I was away from this book, ***I was longing to get back!*** The storytelling holds your attention with effortless finesse!

Elyse (*Goodreads, 5-stars*)

I felt so caught up in the story that it ***stayed with me for days*** after I read the last word. I am so glad that I read this book! I can't wait for Jan Ellison to write more books.

Lori Clark (*Goodreads, 5-stars*)

By far, ***one of the very best new authors and books I have read*** in 2014! The ending held me all the way; I could not put this book down until I knew the entire story. Excellent job, Jan Ellison. Bring us more.

Anne Welton (*Goodreads, 5-stars*)

One of the most ***lyrical and compelling*** stories I've read in a while. I eagerly look forward to future books by Jan Ellison.

David Lamb (*Goodreads, 5-stars*)

This book lured me in almost immediately and held me captive till the last page. Jan Ellison's writes so plainly yet so poetically that I felt almost hypnotized by Annie's story. ***Read this one. Go on, read it!***

Vox Libris (*Goodreads, 5-stars*)

I thoroughly enjoyed this book. It's a coming of age novel, a life lesson to all of us about how one tiny decision can affect us in so many different ways. This story is a lot of things and spoke to me in a lot of different ways. I ***highly recommend*** it.

J. Baker (*Amazon, 5-stars*)

One of my favorite books of 2014. Jan's writing is impeccable; ***the kind of prose that makes you want to bookmark every page*** so you can revisit later.

Susan Anderson (*Amazon, 5-stars*)

I could not turn the pages fast enough. This is a thriller and a romance and a coming-of-age novel, all rolled into one. And it is "literary," too. The writing is beautiful, and there are no trite, commonplace observations: the truth, and only the truth. It will not disappoint you!

K.B. Fenner (*Amazon, 5-stars*)

Ellison's writing is simply gorgeous, it is elegant and spare when it needs to be and lush when that is what's called for—she's a born storyteller. I enjoyed the ride immensely and will certainly seek out Ellison's next novel!

Mary Lins (*Amazon, 5-stars*)

I loved this story so much and what it tells us about love, mistakes, and forgiveness. By the end, I felt ***I knew and cared about each of these characters***, especially Annie and Jonathan.

Laurel-Rain Snow (*Amazon, 5-stars*)

TWENTY SOMETHING BLOGGERS...

Jan Ellison is able to create a book that captivates the reader and is “easy to read,” without using distasteful, immature ideas that popular novels have adopted in recent years. *A Small Indiscretion* is perfect for a female reader in her twenties or a reader in her thirties, forties, or even fifties. There is an aspect to relate to in this book for every female reader. I found this book about love and life to be mature, and it is definitely meant for the mature reader. **Pay attention, this book will rise to become a bestseller in 2015.**

Everyday Mrs

An easy, un-put-down-able read. (**I read this in two days.**) Ellison writes masterfully and there were quite a few passages I bookmarked to come back to, just to reread the prose and mull over how poetically Ellison phrased some of Annie's musings and reflections. I heartily recommend this book!

Musical Poem

A Small Indiscretion **drew me in from chapter 1.** While not a mystery novel, it makes it fun for the reader to try and figure out the truths before the characters know them themselves.
